**THE LAND LEAGUE.**  
The Land League, or renters  
Union, of Scott county seems to  
be moving on steadily. The coun-  
ty meeting at Boardman is re-  
ported to have been well attend-  
ed, and a delegate was selected  
to the national meeting in Texas  
is the report.

For reasons of their own the  
tenants are not making much  
noise. The members tell me that  
the organization is growing both  
in spirit and membership. Occa-  
sionally I meet a tenant who tells  
me it is "dying out." But on in-  
quiry I learn from him that he is  
not a member and knows nothing  
about it.

The tenants seem to have dis-  
covered that they have been  
pushed to the last ditch. With  
the splendid crops this year, very  
few of them are better off than  
last year. It took the surplus to  
pay the debts of bad years. And  
no matter what happens, they do  
not live—but just stay and exist,  
often miserably.

It is pathetic to hear some of  
them talk after having raised  
bumper crops. The song of  
"Home, Sweet Home" would have  
a weird sound to them. They  
have none.

**THE CLUB OFFER.**  
I had intended to abandon the  
clubbing proposition, as it is a  
great deal of annoyance to me,  
especially when it sometimes, but  
not often happens, that a sub-  
scriber fails to get what was or-  
dered.

However, I find that many sub-  
scribers are pleased with the  
Kansas City Star and the Wom-  
an's World, and have been able  
to get a special rate on these, so  
that I can offer them and Home  
Life, together with the Kicker,  
for \$1.25 per year.

Hence you may have a metro-  
politan weekly that gives all of  
the foreign, national and state  
news; a valuable monthly maga-  
zine for the women and child-  
ren; a home magazine for the  
whole family and the Kicker for  
only \$1.25.

So that no advantage may be  
had over those who have already  
paid their dollar for the Kicker,  
subscribers already on the list  
may have the remainder of the  
club sent to them by paying 25  
cents to this office or any solici-  
tor.

**INSURANCE MEETING.**  
The annual meeting of the Scott  
County Home Insurance Society  
was held at Benton Saturday,  
Nov. 6. Anton Legrand was chosen  
temporary secretary and W.  
H. Heiserer chairman.

The minutes of the last meeting  
were read and approved. Chas.  
Henning was re-elected secretary  
of the chief committee and Peter  
Gosche as secretary to the assist-  
ant committee, and the next  
meeting will be held at Benton.

During the past year \$1,440  
was paid out in losses, leaving a  
balance on hand of \$1,121 on Nov.  
6, 1915. Of these losses two  
were by fire, four by lightning  
and two by storm.

The membership is now 550  
with an insured valuation of  
\$780,550. Chas. Henning, Sec.

**FROM ILLMO.**  
The party given in honor of  
Miss Alvina Sanders 17th birth-  
day anniversary last Sunday  
night was well attended. Among  
those present were the Misses  
Della and Bessie Spradlin, Grace  
Weaver, Grace and Lillie Garvey,

Mrs. Paul Effert all took dinner  
with Mr. and Mrs. Casper Effert,  
Sr.

Mr. and Mrs. Adam Sander of  
Head district drove to Vanduser  
Sunday.  
Herman Musbach and wife Sun-  
dayed with the family of Wm.  
Roth.  
The Misses Emma Sander and  
Mae Daugherty spent Sunday  
with Miss Ella Roth.  
Stick to the unmuzzled Kicker.

Put the Kicker in every work-  
ing class home. It is needed.

**HERE AND YONDER.**  
The warring nations are just  
beginning to realize what they  
are up against. In the English  
House of Lords one of the "Lords"  
predicted revolution if the war  
continued, and was supported by  
others high in authority. The  
truth is that revolution will very  
probably result, whether the war  
is ended now or continues. The  
masses are sick of it all and will  
not rest contented under a system  
that may drive them to slaughter  
at any time. The real happenings  
of this world upheaval will take  
place at its close. And it will not  
surprise me if kingcraft and its  
side-partner, priestcraft, are for-  
ever dumped.

The Kicker is in receipt of a  
letter enclosing two dollars from  
Dr. Tomas Ghon Rix, Tampico,  
Mexico. The letter is type-writ-  
ten, but in Spanish, and I can  
learn of no one about here who  
reads Spanish. The letter is quite  
lengthy and I can figure out that  
it deals with the Mexican situa-  
tion and tenantry in the United  
States, but I cannot untangle it  
enough to get the meaning. If I  
am correct, the doctor's wife is a  
daughter of the late S. R. Jones of  
Commerce. However, I can fig-  
ure out that he wants to pay for  
the Kicker to 1917 and hope to  
hear from them in English.

Nearly two hundred thousand of  
our horses have been sold to the  
allies and forced into the Euro-  
pean slaughter. What have these  
poor animals done to be thus  
treated? The men in the trench-  
es are not so much to be pitied  
as these horses—for most of them  
were voted for it. The horse would  
have more sense. And they call  
this "Christian civilization."

Dr. Winters of Oran, and Wm.  
Griffith a New Madrid merchant,  
are among the latest to apply to  
the bankruptcy court at Cape  
Girardeau for relief from this  
"unprecedented prosperity." The  
system has already "got" the  
fellows at the bottom and is now  
after those in the middle row.  
And they are dropping.

County court was in session the  
forepart of last week and adjourned  
Wednesday until Friday of  
this week. Nothing happened ex-  
cept the usual routine of pauper  
and other allowances, and these  
are of so little general interest  
that I considered their publica-  
tion a waste of space.

The Brooklyn Cooperative Co. of  
Poplar Bluff closed down Mon-  
day for want of orders, and many  
men were thrown out of work.  
Watch the army of unemployed  
grow from now on. The cities  
may as well begin to prepare for  
it.

S. P. Loebe of Charleston was  
in Benton Tuesday putting up bill  
boards on the mill property. Bill  
board advertising that was for-  
merly confined to the cities is be-  
ing extended to the country.  
The opening of soup kitchens.

J. R. Morrow, of Sandywoods  
was here Saturday looking quite  
spry. He is 70 years old, still  
works on the farm and said, "I've  
been keeping up with some of the  
young fellows and it is getting  
away with me."

The government at Washington  
continues to write "notes" to the  
foreign powers. The latest is to  
England. I did not read it, but  
suppose it contained the usual  
diplomatic bunk about "our  
rights."

Carl Henning, a wealthy retir-  
ed coal dealer, 84 years old, was  
found dead in a shed near his  
home in St. Louis Sunday, where  
he had hung himself. More evi-  
dence that riches does not pro-  
duce happiness.

D. B. Pankey, the principal bank-  
er and landlord of Dunklin coun-  
ty, dropped dead while standing  
in a store at Kennett Saturday.  
He was 55 years old. Of what ac-  
count are his riches to him now?

The workers have produced fine  
crops this year, but the shirkers  
seem to have figured them out  
of it before gathering time. At  
any rate, we may expect much  
suffering this winter.

An automobile wreck occurred  
about three miles north of Benton  
Tuesday night in which a young  
man, said to be the son of Dr.  
Mayfield, of Jackson, had a leg  
broken.

Mr. and Mrs. Tom Turner of  
near Hickory Grove, went to Ill-  
mo Friday to visit their son Luth-  
er, who is employed at the box  
factory there.

here Saturday. Dick says the  
Land League is growing.

Mrs. Chas. Oliver and Mrs. Aber-  
nathy of Hooe district were Kick-  
er visitors Monday.

while with the Kicker Sunday  
afternoon.

school was in Benton Saturday.  
Oscar Field and family of Oran  
were in Benton Friday.

**FROM BLODGETT.**  
B. F. Marshall is back from New  
York, where he spent the sum-  
mer in search of health. His con-  
dition is not encouraging and it  
is not known how long he will re-  
main with us.

James McDonald returned Sun-  
day from a trip to the Atlantic,  
where he visited relatives in Bol-  
ton, North Carolina.

**FROM CARY.**  
Is there any law against auto-  
mobile drivers speeding along our  
public highways at the rate of  
perhaps a mile a minute? Such  
conduct is of daily occurrence  
here. Are little school children  
safe going to and from school?  
When cars are going so fast that  
they rock and tremble? Last  
week some "gentlemen" coming  
from the direction of Lambert-  
ville, with perhaps all the speed  
of the car's power, lost control  
ran into T. E. Chewing's rye  
field near the school house, knock-  
ing down two posts and tearing  
down about four rods of barbed  
wire fencing. No one was hurt,  
and the "gentlemen" with suf-  
ficient liquid fire aboard, quietly  
turned, ran back to the road and  
disappeared. Of course such hap-  
penings are no expense to our far-  
mers, to say nothing of the dan-  
ger to innocent little children.

Of late our religious meetings  
have been annoyed and disturbed  
by the rude conduct of grown-up  
men. The leaders of the churches  
at Unity and Cary tried good ad-  
vice and moral suasion, but it had  
no effect. To protect the meet-  
ings warrants were sworn out a-  
gainst ten young bucks who go  
to church to curse, make a noise  
with bumpy tops and do all  
kinds of devilment.

Jim Shears of Blodgett attends  
the Unity church. Is Mr. Jim so  
religious, or is it a pretty school  
teacher that attracts him?

possibly more.
